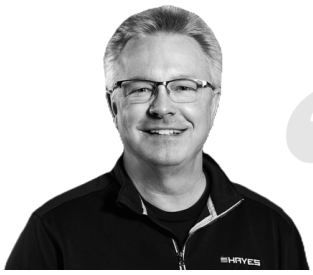
Wisconsin Testimonials

Coreen was honored to be in the inaugural class of the Titan 100. Building her network of Titans has been fantastic. Connecting with them at Titan sponsored events and in the community is so fun.

Coreen Dicus-Johnson | President & CEO, Network Health

Being awarded as a Titan has been a great experience. I thoroughly enjoy networking with other C-suite executives and asking questions of others for direction and their willingness. Being a Titan 100 has allowed me to attend events, build my network, and promote our company and what we do.

Jeff Manion | Chief Executive Officer, DSC Communications



What I found to be most beneficial so far has been networking and establishing connections in support of Community Outreach.

Philip Malliet | President & CEO, Hayes Performance Systems, Inc.

It was an honor to be part of the first Titan100 class for Wisconsin. I have been able to network with other leaders in the Titan100 that would have never happened. Serving on the board was wonderful.

Kathy Knudsen | Founder & President, Healthbreak, Inc.

The Titan 100 platform has allowed me to expand my leadership network and learn from others. It's a special kinship with colleagues who value their teams, clients, vendors, and people they serve. The recognition serves an ongoing responsibility and reminder for me to always lead with empathy, kindness, and openness.

Pat Coleman | VP of Diversity, Equity & Inclusion, Alberici

The greatest value for me as a Georgia Titan has been the connections I have made with the other Titan's in our state. Expanding our network….expands our knowledge…and enhances our ability through these connections to make a difference.

Phoenix Testimonials

The Titan 100 is a celebration of success for the entire Bluum organization. It is also a great honor to be recognized as a top leader and entrepreneur. The ability to network with other Titans is invaluable to learn from their insights and experiences.

Dan Gerelick | Chief Financial Officer , Bluum

Being a Titan 100 is an incredibly powerful recognition. Often it is said that it is lonely at the top, the Titan 100 group goes a long way in helping you understand that there are many others in the same situation, and you have an opportunity to reach out to peers. The networking events are fantastic!

Douglas Reader | President & Chief Executive Officer, Arizona Nutritional Supplements

Being recognized with some of the greatest leaders and entrepreneurs in Arizona has been an amazing experience. The greatest value that Titan 100 brings is the connection with leaders that use their position to make the world a better place. Its refreshing to have differing perspectives, goals, and missions, yet we all focus on the greater good.

Mark Plitzuweit | Chief Executive Officer, Edkey Inc.

I have been extremely proud to be recognized as a Titan 100. The networking with peers from different industries has been extremely valuable and rewarding. I personally feel that what separates the Titan 100 network from others is the feeling of being part of a family.
